

Avoiding Spams & Phishing

1. open a web browser
2. type URL: edu.gcfglobal.org/en/internetsafety/
3. then select chap. 4: Avoiding Spam and Phising
4. Watch the video
5. Open LibreOffice impress to create slides:
 - slide #0: your name
 - slide #1: what is a scammer – what is his goal
 - slide #2: how spammers know about valid emails
 - slide #3: what is phishing
 - slide #4: how to protect
6. save your work in Ordinateur/DOSSUP/ISN/ETV directory
7. rename the file with your name
